Hello Preschool Families,

This week we read stories about different kinds of exercise. In the story *Max*, a young boy tries dance class and learns that his dance skills enhance his baseball game. We continued this discussion during small group, journaling about our favorite way to exercise at school: playground toys or gym toys.

Another topic of study this week was healthy foods, which go along with exercise. Last week we read about healthy snacks, this week we read about healthy grains. We played a spatial concepts game with healthy food toys and dishes during small group. Students also practiced identifying letters and sounds during small group.

Next week we will begin an ABC end of school year countdown. More information coming!

The doctors are taking care of a baby.

Weather Reminder:

We play outside any day that is above 25 degrees. Please send your child to school in a warm jacket daily. Thank you!

Thank you sincerely, Ms. Fierke, Mrs. Michelle, and Mrs. Audrey
