### This Week:

Welcome to Preschool! We are having a fantastic first week of school! So far, we have explored the gym, the playground, and the classroom.

As we explore our new school, we are introducing rules and expectations. We are teaching the students that teachers are helpers and that they can come to us anytime. Students are doing a great job playing safely on the playground and caring for our classroom toys. We sing a cleanup song "Twinkle Twinkle little star, time to clean up where you are" and make our classroom beautiful!
