Hello Preschool Families,

This week we talked about items on our clothing. We are working on completing a chart about pockets on our clothes.

Students drew a shape to indicate

“yes” or “no”. In the picture, students are sorting buttons by size: small, medium, and large. We also engaged in lacing and a letter game during small group. Some students played a “feelings” bingo game.

During center time, students are enjoying the washer and dryer. Next, the dramatic play center will become a shoe store!

Developmental Reports

I am so proud of the progress that we have made, the new skills we have learned, and the fun we are having along the way! Three-day students will receive their developmental reports on Thursday, Five-day students will receive theirs on Friday. If your child has an IEP, their trimester updates will be included as well.
