Hello Preschool Families,

We continue Week 2 of our clothing study. In addition to reading stories about clothing, we experienced sewing during small group with burlap, yarn, and plastic needles. We used buttons to create our own patterns. We are so lucky to have the opportunity to borrow a play washer and dryer for our housekeeping center. The students are using a timer to take turns with the washer and dryer.

This was also a week of teeth! The students enjoyed a presentation from a local dentist, learning about food that are healthy for their teeth and what to expect when they visit a dentist. Then, Thursday, the students who signed up will visit the mobile dentist in the auditorium.

3/5 Transition to Kindergarten Parent Meeting
