Happy New Year!

We return to school, re-establishing our routines. We continue our brief winter study, reading stories about winter and learning through winter themed small groups.

Measuring with Mittens

Due to all of the holiday festivities, we have some small groups to finish up. We continue measuring how tall our peers are using mittens. We count the mittens and discover how many mittens tall our friends are. After reading the story *The Mitten*, students drew and wrote about what animal lives in their mitten. This will create a class book, to be added to our library! Lastly, we are wrapping up using straws, playdoh, tooth picks, and pipe cleaners to build a home for an animal, just like in the story *The Mitten*.

Thank you sincerely,
Ms. Fierke, Mrs. Michelle, and Mrs. Audrey

Dental Paperwork

- Papers due ASAP
- Dentist will see the students on 2/27
- This dental visit completes the requirement for Kindergarten students - this is a fabulous opportunity!

Please send your child to school in gym shoes every day. Thank you!
