Hello Preschool Families,

We continue our music study by reading stories about music. We brought instruments from the music center to our journal table to help us write and draw about instruments that we like. We repurposed the mittens we used for measuring last week for patterning on the rug this week - patterning on the rug was a hit this week! Students explored rubbing plates, making letters at the independent table. We added an ice cream shop to our dramatic play center at the end of the week. Students helped write the words for the signs and the numbers for the prices of items.

We look forward to a visit to the elementary student's music room at the end of this month.

Thank you sincerely,

Ms. Fierke, Mrs. Michelle, and Mrs. Audrey
