Hello Preschool Families,

Music is in full swing in our classroom! During small group, students are making drums with plastic cups, beans, paper, and rubber bands to hold the paper on top of the cup. We are drawing about what we like to do when we listen to music - dance, wiggle, jump, sing! I brought in my own personal clarinets to share with the students and play a little as well! I look forward to sharing this special part of me with my students. We are also voting on what song we want to sing at school.

On Wednesday, the morning class visited the music room that the elementary students attend. We sang songs with Mrs. B and she showed us how her chimes work!

Thank you sincerely,

Ms. Fierke, Mrs. Michelle, and Mrs. Audrey

January 30 Learning Together Day - Math Activities

Please join us and engage with fun math activities that you can do at home:

Parent/Guardian arrive at 8:45 AM session

Parent/Guardian arrive at 12:45 PM session

It is important that each child have a parent, guardian, or beloved adult attend.

This is a great opportunity to be one on one with your child at school and see how play is the way we learn.

Mobile Dental Visit

- Please sign up online at: www.myschooldentist.com
- Dentist will see the students on 2/27
- This dental visit completes the requirement for Kindergarten students - this is a fabulous opportunity!

January 31, 6-7:30 Math Games Night - join us at "Camp Cronin" for math activities throughout the school hallways and BINGO in the gym!
