We are reading about trees. This is our first week of our new Tree Unit.

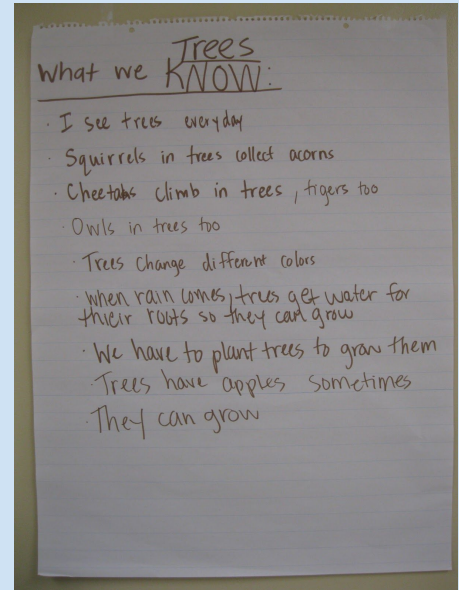

Save the Date:

- 10/16 Learning Together Day
- 10/22 Red Ribbon Week
- 10/25 Popcorn Day
- 10/31 Halloween Celebration Day (candy cannot be sent to school, healthy snack item or small trinket like a sticker is OK)

Welcome to our Tree Unit of Study! We are kicking off our new exploration with a scavenger hunt! Please send in your discoveries next week, have fun!

This week our PM friends attended an author visit. Carolyn Crimi visited our school and shared some of her stories at an assembly. Next week our AM friends will have a firefighter visit to learn about fire safety.

Our small group this week included exploring tree parts (leaves, acorns, pictures) and drawing about them in our journals. We are working on adding writing to our journals. Students also used unifix cubes to measure and compare tree parts like sticks and bark.

October 16 is our Learning Together Day!

AM Session 8:45-10:15

PM Session 12:45-2:15

Please make arrangements for your child to attend with a beloved adult. Please sign in at the front office with your ID. We are not able to accomodate younger siblings.
