Halloween Fun, thank you for the stickers:

Small Group Activity: using storytelling to add and take away bears that climbed up our tree. The bears were climbing up and down the tree.

Bus reminder:

" Parents are responsible for putting their child on the bus and buckling him or her into the seat. Parents are also responsible for unbuckling and escorting their child off the bus when he or she is brought home. For the safety of our young students, it is our policy that the bus driver will only drop a child off at a home at which an adult is present."

If the parent is not available, then it must be an adult (over 18) that comes out to the bus.
