

NEW UPDATED 18-19

Cronin Traffic Procedures

Dear Troy Cronin Families,

As you know, SAFETY is our top priority! We want to ensure that the parking lot is a safe environment for the students as they arrive and leave from school each day. On the reverse side of this note, you will find a map of the school with four corresponding bullet points for your reference. **The procedures have changed, and we ask that you review the procedures that are in place.**

Pick Up / Drop Off For All Students

- All cars will enter through the Hope Lutheran Church parking lot. Hope Lutheran is located just east of Cronin school.
- Cars will proceed to the south end of the Church parking lot, and turn right (west) toward Troy Cronin. Cars will follow the arrows around Cronin's south east parking lot toward the student loading zone. The loading zone is located outside Door #3 (the small fenced in playground).
- Student car seats must be located behind the driver seat for curbside arrival and dismissal.
- **At arrival**, as cars reach the student loading zone on the east side of the building with the yellow painted curb, students will begin to be unloaded by staff members and escorted into the building. Please do not let students out of the car until the car is stopped in the student loading zone. Preschool and kindergarten students will be escorted by a staff member into the building. Students in grades 1-4 will be monitored as they enter the building.
- **At dismissal**, as cars reach the student loading zone on the east side of the building with the yellow painted curb, students will begin to be matched with the car according to their family identification card. After they are matched, the guardian will secure the student in the car.
- Cars will proceed to Black Road and turn right. **NO LEFT TURN ON BLACK ROAD WILL BE PERMITTED.**

Bus

- Cars are **not** allowed to enter through the west Cronin entrance.
- Large school buses will enter through the west Cronin entrance and pick up / drop off along the west side of the building at Door #17. Large buses will exit through Center Street.
- Small school buses will enter through the west Cronin entrance and pick up / drop off along the front of the building at Door #2. Small buses will exit through Black Road and turn right.

We have a limited number of parking spaces and we need your cooperation and patience with other drivers to keep our students **safe** at arrival and dismissal times. Please remember that handicapped parking spots are reserved for families that have permission from the state to park in handicapped spots. Thank you for your cooperation!

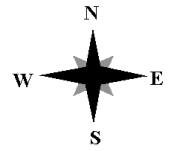

Sincerely,

Jill Howard
Principal
